

# Pruett

Pruett Vineyard, in collaboration with the Indianapolis Motor Speedway, is proud to present a Limited Edition Napa Cabernet Sauvignon, celebrating the 100th Anniversary of the Indianapolis 500® Mile Race.

The centennial Indy 500® logo is prominently placed on the front label, making this a cherished collectors item of "The Greatest Spectacle in Racing®".

"With it's rich history and cherished memories, there is really nothing in the world quite like the Indy 500. I am so excited and honored to be involved at this level in the Centennial Era" says the 1989 Indy 500 Rookie of the Year and current Grand American Champion, Scott Pruett. Scott is also looking forward to the "World's Largest Autograph Session", one of the highlights of new fan attractions the day before the race. "Every living driver from the Indy 500 has been invited to participate. It's going to be an amazing opportunity and something fans won't want to miss".

Pruett Vineyard produces small lot, handcrafted wines, with great attention to detail and quality. Owner and Vintner, Scott Pruett, is involved in every aspect, making this a true labor of love. Scott and Judy Pruett will be presenting a Magnum bottle of this Pruett Indy 500 wine, showcased in a beautiful laser etched lacquered wooden box, to each of the 33 team owners qualifying for the 100th Anniversary race. "We wanted to give this gift to the owners as a thank you, and homage to past and future team owners, for bringing this gold standard of motorsports to all of us. It's absolutely overwhelming to think about the history of this great race and to be involved at any level is truly an honor."
